

## **Art Alliance Figure Drawing**

Art Alliance Figure Drawing Classes meet in room 127, first floor of the Greensboro Cultural Center, 200 N. Davie Street. If class is cancelled due to building closure class time will include a make-up time determined by the instructor. In case of inclement weather please use your best judgment. If we know the building has closed we will post the information on the website and our office phone message. Pre-registration is recommended for all classes in order to maintain a comfortable class size. Model fees are included in the class.

Parking is available in the Church Street parking deck, located behind the Cultural Center, and along Friendly Avenue, next to the building. Please call 36/373-2725 or email [artalliance@juno.com](mailto:artalliance@juno.com) with any questions. Visit our website for the current schedule of classes.

### **Drawing the Human Figure**

There is no supply list, but suggestions are Charcoal (vine + Compressed), 18"X24" newsprint paper and a kneaded eraser. Another choice would be a 16"X20" pad of drawing paper, several pencils of differing hardnesses (2h, hb, 2b, 4b) and a kneaded eraser. An inexpensive Artist's Anatomy book would be helpful for the serious student.

### **Painting the Human Figure Class**

Basic materials recommended are: 1 gummy or kneaded eraser, a Chamois cloth, a box of medium soft Willow charcoals, a large Strathmore charcoal drawing pad with the ring binder at top.
